## Formats of play

### Medal Play

Stroke play, also known as medal play, is a scoring system in golf. It involves counting the total number of strokes taken on each hole during a given round, or series of rounds. The winner is the player who has taken the fewest strokes. Your handicap will be deducted from your total score. The ball must be holed out on every hole otherwise the players score is totalled as a non-return.

### Stableford Points

Stableford is a scoring system used in golf. Rather than counting the total number of strokes taken, as in stroke play, it involves scoring points based on the number of strokes taken at each hole. Unlike traditional scoring methods, where the aim is to have the lowest score, under Stableford rules, the objective is to have the highest score.

Points	Strokes taken in relation to adjusted fixed score
0	2 strokes or more over, or no score recorded
1	1 stroke over
2	Same number of strokes
3	1 stroke under
4	2 strokes under
5	3 strokes under
6	4 strokes under

Stableford can have the added benefit of speeding up the pace of play, as once it is no longer possible to score a point, players do not have to complete the hole but can simply pick up their ball and proceed to the next hole. It is a popular form of the game, as it is still possible to record a competitive score despite having the occasional bad hole. To score the ball must be holed out.

### Match Play

Match play scoring consists of individual holes won, halved or lost. On each hole, the most that can be gained is one point. Golfers play as normal, counting the strokes taken on a given hole. The golfer with the lowest score on a given hole receives one point. If the golfers tie, then the hole is halved. For example, in an 18-hole match, the first hole is a par 4 and Player A scores a 3 (birdie) and Player B scores a 4 (par); Player A is now 1-up with 17 to play. In the same match on the second hole, a par-5, Player A takes 8 strokes and Player B takes 5 (par); Player B wins the hole and the match is now "all square" with 16 to play. Once a player is "up" more holes than there are holes remaining to play, the match is over. For example, if after 12 holes Player A is 7-up with six holes left to play, Player A is said to have won the match "7 and 6".

### Scramble

A scramble is played with two, three or four-person teams. Each player plays from the teeing area on each hole, one of the tee shots is selected and all the players play their second shots from that spot. One of the second shots is then selected, and all players play their third shots from that spot, and so on until the ball is holed. There are many variations on the basic scramble format. Some of these include:

- **A Texas Scramble** is a four-person team scramble, and this normally requires a minimum number of tee shots of each member of the team to be used during the round. Some forms of Texas Scramble require a player to play his or her own ball for the duration of each par 3 hole.
- **A Florida Scramble** (also known as Dropout Scramble, Step Aside, Stand Aside, Stand Out) provides that the player whose shot is selected does not play the next shot.
- **A One-Person Scramble** is where each player hits two shots, one ball is selected, two shots are played from that location, one ball is again selected, two shots are played from that location, and so on until the ball is holed.

## **Booking Process**

You **must** follow this straight forward process in order to book a tee off time.

You will need to email [davidlloydgolfclub@gmail.com](mailto:davidlloydgolfclub@gmail.com) with the following details:

- Name of golf club
- Date you wish to play
- Your preferred tee off time
- Whether you'd like to play 9 or 18 holes (additional 9 holes played may incur a green fee charge)
- Your contact telephone number

A member of the golf team will then confirm your membership with us is still valid and book you a tee off time as close as possible to your requirement at your chosen golf course.

We will then confirm this to you either in writing or by telephone. Then it's over to you to enjoy your round of golf!

# ADULT GROUP COACHING

## Start Golf

**Start Golf** group lessons are the perfect introduction to golf for either the complete beginner or the player who is looking to refresh the basics of the swing having had time out from playing.

These group sessions provide the ideal opportunity to meet other golfers of a similar golfing ability and make new friends. The sessions cover the basics of a variety of shots including full swing, chipping, putting, and on the final session you will be playing a few holes!

Start Golf consists of 4 x 60 minute lessons and costs:

David Lloyd Hampton Members - £39.00

Non David Lloyd Hampton Members - £59.00

Maximum of 8 people group. For new start dates please visit [shortgamegolfacademy.com](http://shortgamegolfacademy.com)

## Learn Golf

Our **Learn Golf** Groups lessons are ideal for the player who is looking to build on their swing mechanics and gain control over the ball within their long and short game.

You will gain a comprehensive understanding of the swing mechanics of a variety of shots including driving, iron play, pitching, chipping, bunker play, and putting!

Learn Golf lessons consist of 6 x 60 minute lessons and costs:

David Lloyd Hampton Members - £69.00

Non David Lloyd Hampton Members - £79.00

Minimum of 3 people per group and a maximum of 6.

For new start dates please visit

[shortgamegolfacademy.com](http://shortgamegolfacademy.com)

## Play Golf

**Play Golf** is a 5 week course, consisting of 5 x 90 minute sessions on the golf course.

Classes suitable for all levels of golfer from beginner to the advanced player. The maximum group size is 4.

The sessions on the golf course will provide us with a chance to help improve your decision making, club selection, rules and etiquette and will also highlight your strengths and weaknesses.

Play Golf costs £99 for David Lloyd Hampton members and £109 for non members.

For new start dates please visit

# On Course 90 Minute Playing Lesson

**Do you walk off the course not really understanding why your score doesn't seem to match how you feel you played? It's time to change that and take control over your scores once again.**

Our PGA Professional golf coaches join you on the course of David Lloyd Hampton Golf Club. The coach looks in detail at your technique and gives you helpful advice. This is also a good way to learn new techniques. On-course playing lessons can be a great way to learn how to play shots out during battle and can allow us to analyse how you play all golf shots on the course, if you are selecting the appropriate shots and even assess your pre-shot routine.

On-course coaching is also great for new golfers as we can assist with things such as etiquette and how to speed up play just by positioning your bag in the correct spot around the course. Any one of our PGA Golf Professionals are available to take you out for either 6, 9 or 18 hole playing lesson.

## Mixed group roll ups

A relaxed, fun, enjoyable and informative learning environment is what makes our Roll Up sessions so popular. Our PGA Professionals won't over complicate matters and will provide you with clear and simple advice to accelerate your improvement. We won't try and rebuild your swing, we just want you to understand why you hit your poor shots and the recipe for great shots. All areas of the game are covered in these sessions.

Our Roll Up lessons are held every Tuesday from 11:00am-12:00noon and cost £11.00. Booking is required: [shortgamegolfacademy.com-book-online](https://shortgamegolfacademy.com/book-online)  
For weekly roll up topics please visit: [shortgamegolfacademy.com](https://shortgamegolfacademy.com)

# The Art of the Short Game

Group of max 4 people  
£115 per person includes 5 x 90min sessions  
or Individual lessons  
£199 per person 5 x 60mins

**The secret to a lower score is a solid short game, but mastering this area of the game can be very frustrating. If this describes your short game then this is the course for you!**

Covering all aspects and shots required to cut your score around the green, we will give you a comprehensive understanding and the knowledge to confidently play all the necessary shots you require to improve your skill and reduce your score.

## What does the 'Art of the Short Game' course cover?

- **Session 1 (Putting):** To fully understand putting set up and stroke mechanics. To learn the art of reading greens like tour pros and caddies. Basic putter fitting and loft and lie adjustment to suit stroke mechanics.

- **Session 2 (Chip & Run):** Understand and achieve the fundamentals of the chipping set-up. How to regularly perform the correct impact whilst chipping and understanding the 'angle of approach' of clubhead into the ball. Selecting the correct shot and club type around the greens, including percentage play.

- **Session 3 (Pitching):** Understand and perform the fundamentals of the pitching set-up. How to regularly achieve the correct impact whilst pitching and understanding the 'angle of approach' of clubhead into the ball. Introduction to the mechanics behind performing the 'lob shot'. Assessment of wedges and loft & lie adjustment where necessary.

- **Session 4 (Greenside Bunker):** Understand and perform the basic greenside bunker 'splash shot' set-up and swing, with the variations/adaptations for poor lies. Learn how to play from plugged lies, shots from bunkers with varying depths of sand. Choose the right club for the shot and understand the importance of bounce.

- **Session 5 (Taking it to the course):** Understand when and how to apply different shots on the course. Club selection from poor lies and shot choice. Reading greens and understand how the ball will react on slow/fast greens and slopes.

- £10 could pay for the materials our scientists need to grow cells in a lab and study insulin resistance, to help us understand the causes of type 2 diabetes and take us one step closer to a cure.

- £70 could pay for one round of genetic analysis to help our researchers unravel how genes can influence our risk of developing diabetes.

- £200 could pay for specialist training to allow more researchers to use AI helping them examine images of the pancreas, and better understand the root causes of type 1 diabetes.

- £500 could help our researchers test if smart shoe insoles could prevent foot ulcers and amputations in people with diabetes.

## Our Diabetes Research

Everything we know about diabetes - every **drug**, device and development has only been possible because of research. And, one day, research will find a cure.

We're the UK's leading charitable funder of diabetes research. For 87 years, our research has been behind some of the biggest leaps forward in **diabetes care** and changed lives for the better.

Today, our scientists are relentlessly pushing for the next treatment breakthrough and speeding up progress towards a **cure**. Your support allows us to fund it and by listening to you, we deliver research that makes the biggest possible impact.
